

## Floor Plans

The following map indicates the various buildings in which the Congress events will take place. Also indicated are the closest tram stops and the *Polybahn* (cable car), which provide easy access to the site.

Cafeterias (in German: *Mensa*) are to be found in buildings MM, MEN, CLA and CAB. Also consider the various restaurants, coffee-shops and bars in the surrounding streets, particularly *Limmatquai*, *Niederdorfstrasse* and *Zähringerplatz* in Old Town. (Take a tram or the *Polybahn* to the *Central* tram stop then turn left; i.e., southwards towards the lake. Alternatively, take the stairs and pathway down the hill from the end of *Karl Schmid-Strasse*.)
